JAVA

SPRINGBOOT

MYSQL

SWAGGER

OTHER SKILLS :

GIT

BOOTSTRAP

MATERIAL
UI

RXJS

Experience :

One Helper - Students Support (Practices)

Oracle One + Alura Latam

08/2022 11/2022

- As an outstanding student of the Oracle One Next Education program, I was selected to carry out a 3-month volunteer program as One Helper, where I was able to help new students by answering their questions, motivating them and teaching them the knowledge acquired during the program.
- **Reference** : Raquel Coimbra - Community Manager Latam @Alura
